

Efficiency Tip –

What About CPT?

CPT® is a registered trademark of the American Medical Association.

CPT is maintained by the CPT Editorial Panel, which meets three times per year to discuss issues associated with new and emerging technologies as well as difficulties encountered with procedures and services and their relation to CPT codes.

You can sign up for email notifications from the AMA on changes to CPT codes as well as notices regarding upcoming CPT Editorial Panel meetings.

It's an "efficient" way to make sure you always have the latest and most up-to-date information on CPT codes.
